

Asperges & Wijn

SYRAH - GRENACHE

IGP PAYS D'OC

HISTORY

This wine (IGP pays d'Oc) is the result of passion and a reasoned viticulture. The grapes are carefully selected among our vineyards located on the different terroirs of Limoux (Languedoc Roussillon) which allows us to develop the best wine in terms of taste and quality while limiting our production to preserve our environment.

VINEYARDS

This rosé blend is the perfect combination of the three terroirs of Limoux: the minerality from the Upper Valley terroir, the roundness from the Mediterranean terroir and the freshness from the Oceanic terroir.

WINEMAKING

Mechanical harvest at perfect maturity, crushing then fermentation in concrete tanks. Aging in stainless steel tanks. Light filtration and early bottling to preserve aromatic freshness.

TASTING NOTES

- **APPEARANCE**
Pale pink color.
- **NOSE**
Aromas of small red fruits (raspberries, currants, ...)
- **TASTE**
Supple and fruity palate with lovely freshness
- **SERVING TEMPERATURE**
Best served at 8-10 °C.
